The HOA reserves the right to limit use of the practice area. ## Penalty Areas

### Relief from a Red or Yellow Penalty Area.

- Q.** How do I take relief from a yellow or red penalty area?
- A.** When you take relief from a penalty area, you get one penalty stroke. For yellow penalty areas, you have two relief options. For red penalty areas, you have three relief options (the same two relief options as you do for yellow, plus one additional option.) For a yellow penalty area, you may take relief by dropping into a relief area using (1) the spot at which your last stroke was made under stroke and distance or (2) the back-on-the-line relief procedure. For a red penalty area, you have the two options above for a yellow penalty area, plus an additional option to take lateral relief. Lateral relief allows you to drop a ball into a relief area measured from where your ball last crossed the edge of red penalty area. From that reference point, you are allowed to drop outside the penalty area and anywhere within two club-lengths of that spot, no nearer to the hole. Additional relieve in a red penalty area: you may play within the red penalty area and may remove loose impediments.

### When Your Ball Is Lost or Out of Bounds (White Stakes).

#### When Ball is Lost.

Your ball is lost if not found in three minutes after you or your caddie begin to search for it. If a ball is found in that time but it is uncertain whether it is your ball:

- You must promptly attempt to identify the ball and are allowed a reasonable time to do so, even if that happens after the three-minute search time has ended.
- This includes a reasonable time to get to the ball if you are not where the ball is found. If you do not identify your ball in that reasonable time, the ball is *lost*.

#### When Ball is Out of Bounds.

Your ball at rest is out of bounds only when all of it is outside the boundary edge of the course.

#### What to Do When Your Ball Is Lost or Out of Bounds.

If your ball is lost or out of bounds, you must take stroke-and-distance relief by adding **one penalty stroke** and playing a ball from where the previous stroke was made.
